eResources for Commercial Real Estate Professionals Panel

Technology has changed every facet of our daily lives. Marketing commercial properties and communication with clients has evolved from phone calls to email to social media to texting. Meet three commercial real estate professionals who have developed virtual platforms to enhance your commercial real estate marketing, branding and communication. Discover the latest tools and means to set yourself apart from other commercial real estate brokers through reaching unlimited prospects and networking across the country 24 hours a day.

Panelists:

- Linda Day Harrison - TheBrokerList.com
- Dave Cattell - NewDirt.com
- Matt Chapdelaine - CommercialConnected.com & HerbFront.com
